Why choose Blue Leaf Water Cremation?

WA Family Owned & Operated

Environmental Impact is reduced by 97%

90% less energy used than flame cremation

NO emissions of harmful greenhouse gases

Gentle & Caring

From the moment your pet arrives into our care, to the moment they are returned, they will be treated as one of our own, with the highest quality of respect and dignity.

Urns & Memorabilia

To reduce our impact on the environment, Blue Leaf Water Cremation offers only Sustainable, Recyclable and Biodegradable products.

Complimentary Keepsakes

Receive a Complimentary Memorial Candle, Paw Print and Fur Keepsake, to treasure for a lifetime.

Living Legacy

In honour of every pet, we donate for a tree to be planted on your behalf, by a registered WA Reforestation Project.

HELP US REDUCE THE CARBON PAW PRINT AND PROTECT THE WORLD OUR ANIMALS LIVE IN
